

What do I do next?

Please telephone or visit us to check that your chosen time and date for your party is available. We can then take your details and make a provisional booking that we will hold for no more than seven days. To confirm the booking please return the booking form to us with a deposit for £20. (or phone us with card details). We will then issue a booking confirmation and provide you with a supply of invitations.

Then what happens?

Please telephone or e-mail us, no less than 48 hours before your party to confirm the exact numbers of children attending. If you've ordered goody boxes please give us a breakdown of the age and gender of the children, and if you've ordered catering for adults, please confirm the number and the option chosen. We regret that it may not be possible to change numbers any less than 48 hours before the party.

What happens on the day?

Please report to reception about ten minutes before the start of your party and pay the outstanding balance. You'll be directed to your room where your party assistant will meet you and run through arrangements for your party. It is unlikely that you will be able to get access to your room any earlier than ten minutes before start time. Your guests will be directed to your party room as they arrive at reception. Your party assistant may pop into your party at various points to see if there is anything that you require. Please ensure that you leave the room promptly at the end of the party.

The small print...

Whilst we ask that you clear the room promptly at the end of the party, guests are welcome to stay on and enjoy the other attractions of Almond Valley until the site closes at 17.00.

We're happy if adults wish to accompany their children to the party and will make no additional charge for this, providing that the adults do not significantly outnumber the children.

You may wish to consider ordering food for adults attending the party, which will be conveniently delivered to your party room. Alternatively the adults may queue to purchase their own food in the tearoom; however it should be noted that this facility closes at 16.30 each day.

By all means bring your own birthday cake (remember to bring your serviettes), but we insist that we supply all other food, other than by special arrangement for special dietary requirements.

Your birthday party booking allows a quota of places in the Morag's Meadow play area; not exclusive use of it. The 15.30 - 17.30 and 16.00 - 18.00 party slots provide half an hours of exclusive use of the Morag's Meadow play area. Other party slots provide an allocation of places in the play area; not exclusive use of it.

Those booking 15.30 - 17.30 and 16.00 - 18.00 party slots should note that other features of Almond Valley are locked at 17.00 and that the tearoom closes at 16.30

The Udder Room opens off the tearoom, whilst the Blue Room is in a separate building. Each can accommodate up to 30 children; more if the party is arranged buffet style.

Food is set out on covered platters prior to your arrival. The traditional menu includes freshly-cut cheese or ham sandwiches (white and wholemeal), mini cocktail sausages, Quavers or Skips, mini muffin and mini chocolate roll, and sugar-free squash. The healthy eating menu includes cheese or ham sandwiches on wholemeal bread, a funny face factory with vegetable and fruit nibbles with dips, yoghurt and sugar-free squash.

As an optional extra, Farm-themed cardboard goody boxes contain a generous variety of novelties and sweets; please ask to see a sample. These are made up to suit, so please quote age and gender of each child when confirming your party.

We'd be happy to serve tea, coffee and other catering in the party room for groups of six or more adults accompanying a party. A number of options are available, (detailed above), but these must be booked in advance. Parties include sandwiches and food suitable for vegetarians. We're happy to discuss other special dietary requirements.
