

Corporate Membership of Almond Valley

Corporate membership is a flexible and hassle-free way of providing unlimited admission to Almond Valley during the course of the year. Presentation of the membership card provides entry for any two adults and any four children.

Originally intended as an employee benefit that can be shared amongst groups of work colleagues, the membership is now also used by caring groups and childminders who may wish to bring different groups of children, or pass the card between client families.

Conditions of Use: *Please study carefully prior to purchase*

- 1.) Membership is valid for 12 months from the date of issue. Fees are non-refundable.
- 2.) The membership card provides admission to Almond Valley during normal opening hours, but does not cover rides, Morag's Meadow soft play area or other additional attractions that are not included in the standard admission price.
- 3.) **MEMBERSHIP CARDS MUST BE PRESENTED** on every visit. Those visiting without their card will be asked to pay standard admission.
- 4.) Each card will admit up to two adults and four children on each occasion.
